Weekly Picks From the Band

Book of the Week

[*Still Life With Woodpecker*](#) is the third novel by Tom Robbins, concerning the love affair between an environmentalist princess and an outlaw. The novel continuously addresses the question of how to make love stay, and is sometimes called a post-modern fairy tale.

Movie of the Week

[The Elephant Man](#) is a 1980 drama film based on the story of John Merrick, a severely deformed man in 19th century London. Inarticulate, abused, and enslaved by carnival barker Bytes, Merrick is then rescued by London doctor Frederick Treves who offers him an existence with dignity.

Album of the Week

[Beastie Boys - Paul's Boutique](#)

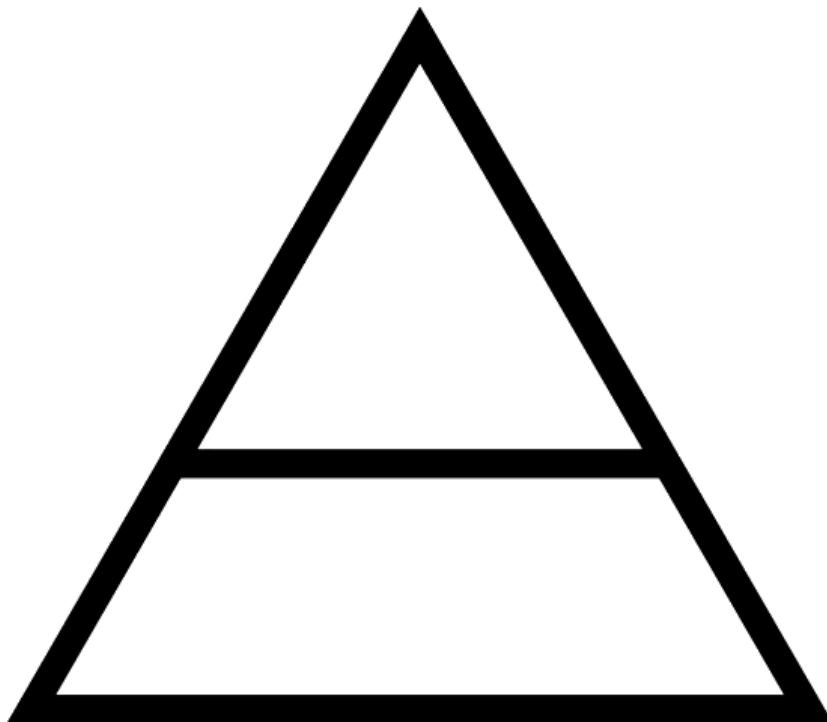

The second studio album by American hip hop group Beastie Boys, Paul's Boutique was released on July 25, 1989 and features production by the Dust Brothers. Highly varied lyrically and sonically, Paul's Boutique secured the Beastie Boys' place as critical favorites in the hip-hop genre, and has been widely recognized as the group's magnum opus.
